

If you were worried about abuse and wanted to talk to your star, what would you like the star to say back to you?

Here are some replies. Scribble out the ones you do not like.

That's just not ok, that shouldn't have happened. I am going to help you so it doesn't happen again.

I am too busy. Can this not wait until later?!

I think you should talk to someone else

Stop telling tales

I am sure they didn't mean it

I am sad that has happened but I am pleased you told me

That was a very brave thing that you have just done. Don't worry, we will help you, now we know

Thank you for telling me. I am sorry that happened. I want to help you.

I might be busy but I will always listen to your worries

Saying things like that can get you into trouble

Now you've said that, everything is going to change!!

What is the worst thing they might say? (Write it in this box)
